Online Training & Project Based Internship
EICT Academy, PDPM IIITDM Jabalpur

Deep Learning & Applications

Duration: 2 - 4 months, starting Aug 17, 2021

About the Training and Internship

- **Topics include**
- Introduction to Machine Learning and Artificial Neural Networks.
- Python programming for AI and ML
- Convolutional Neural Network (CNN),
- Deep CNN and their applications
- Recurrent Neural Networks, LSTM for natural language processing, image captioning and other applications.
- Recent Trends in Artificial Intelligence and Deep learning

Features

- **Instructor led online training**
- **Python programming sessions**
- **Rigorous Hand-on practice**
- **Work on a project of industrial importance**

Who can benefit

- **Undergraduate and postgraduate students from science and engineering background**
- **Freshers**
- **Unemployed graduates**

Registration Details (Last Date to Register – Aug 15, 2021)

Please register through -
https://www.iiitdmj.ac.in/ict.iiitdmj.ac.in/internship_programme.html

Registration fee

- 3 to 4 months Internship - Rs. 4,000/- pm
- 2 months Internship: Rs. 5,000/- pm
- Discounted rates for college batches
